

# Substance Use and Abuse Health Education Implementation Plan

<b>State Board of Education Rule:</b>	<a href="#">6A-1.094122</a> Substance Use and Abuse Health Education
<b>Name of the School District</b>	Miami-Dade County Public Schools
<b>Superintendent of the School District</b>	Alberto Carvalho
<b>Implementation Period: (MM/YY – MM/YY)</b>	August 2019-June 2020
<b>Submission Date to the Commissioner</b>	November 26, 2019
<b>Direct URL to the Implementation Plan as posted on the school district website</b>	<a href="http://oat.dadeschools.net">oat.dadeschools.net</a>
<b>School District Contact(s) for this Plan <i>(name and email address)</i></b>	Marie Izquierdo izquierdo@dadeschools.net

<b>Select the specific subject area(s) of the courses in which instruction will be delivered:</b>			
<input type="checkbox"/> Art – Visual Arts	<input type="checkbox"/> Experimental Education	<input type="checkbox"/> Peer Counseling	<input type="checkbox"/> World Languages
<input type="checkbox"/> Computer Education	<input type="checkbox"/> Health Education	<input checked="" type="checkbox"/> Physical Education	<input type="checkbox"/> Other
<input type="checkbox"/> Dance	<input type="checkbox"/> Library Media	<input type="checkbox"/> Research/Critical Thinking	
<input type="checkbox"/> Drama – Theatre Arts	<input type="checkbox"/> Mathematics	<input type="checkbox"/> Science	
<input checked="" type="checkbox"/> English/Language Arts	<input type="checkbox"/> Music Education	<input type="checkbox"/> Social Studies	
<b>Select the qualification(s) of the instructors for the above courses:</b>			
<input checked="" type="checkbox"/> Florida Certified Teacher			
<input type="checkbox"/> Community-based Expert			
<input type="checkbox"/> School Nurse			
<input type="checkbox"/> School Counselor			
<input type="checkbox"/> School Psychologist			
<input type="checkbox"/> Other			
<b>Please explain the rationale for delivering the instruction in the courses selected above for each grade level.</b>			
<p><b>K:</b> Instruction is delivered during the physical education time since this is a requirement for all elementary students and the topic is aligned to the health education standards.</p> <p><b>1:</b> Instruction is delivered during the physical education time since this is a requirement for all elementary students and the topic is aligned to the health education standards.</p> <p><b>2:</b> Instruction is delivered during the physical education time since this is a requirement for all elementary students and the topic is aligned to the health education standards.</p> <p><b>3:</b> Instruction is delivered during the physical education time since this is a requirement for all elementary students and the topic is aligned to the health education standards.</p> <p><b>4:</b> Instruction is delivered during the physical education time since this is a requirement for all elementary students and the topic is aligned to the health education standards.</p> <p><b>5:</b> Instruction is delivered during the physical education time since this is a requirement for all elementary students and the topic is aligned to the health education standards.</p>			

# Substance Use and Abuse Health Education Implementation Plan

6: Instruction is delivered in the English Language Arts course because this is a required course for all students.

7: Instruction is delivered in the English Language Arts course because this is a required course for all students.

8: Instruction is delivered in the English Language Arts course because this is a required course for all students.

9: Instruction is delivered in the English Language Arts course because this is a required course for all students.

10: Instruction is delivered in the English Language Arts course because this is a required course for all students.

11: Instruction is delivered in the English Language Arts course because this is a required course for all students.

12: Instruction is delivered in the English Language Arts course because this is a required course for all students.

Please describe the methods for delivering the instruction for each grade level.

K: The curriculum is delivered using face-to-face instruction during physical education time.

1: The curriculum is delivered using face-to-face instruction during physical education time.

2: The curriculum is delivered using face-to-face instruction during physical education time.

3: The curriculum is delivered using face-to-face instruction during physical education time.

4: The curriculum is delivered using face-to-face instruction during physical education time.

5: The curriculum is delivered using face-to-face instruction during physical education time.

6: Instruction is delivered using a blended learning method that involves both online and face-to-face interaction.

7: Instruction is delivered using a blended learning method that involves both online and face-to-face interaction.

8: Instruction is delivered using a blended learning method that involves both online and face-to-face interaction.

# Substance Use and Abuse Health Education Implementation Plan

9: Instruction is delivered using a blended learning method that involves both online and face-to-face interaction.

10: Instruction is delivered using a blended learning method that involves both online and face-to-face interaction.

11: Instruction is delivered using a blended learning method that involves both online and face-to-face interaction.

12: Instruction is delivered using a blended learning method that involves both online and face-to-face interaction.

Please describe the materials and resources that will be utilized to deliver the instruction for each grade level.

**K:** District-created curriculum and resources are provided to teachers on the topic of substance use and abuse health education. This curriculum is created using CATCH MY BREATH -E-Cigarette and JUUL Prevention Program an evidence-based program that has been shown to substantially reduce students' likelihood of vaping in the year following program implementation, and the EVERFI- Prevention First Health Curriculum (Elementary Health and Wellness) that teaches students to make healthy choices in a safe environment. Additional resources used include: Florida Department of Education-Comprehensive Health Education Elementary Toolkit, The Nemours Foundation-Kids Health in the Classroom (Grades K-2 Lesson Plans on Drug Abuse Prevention), The Nemours Foundation-Kids Health in the Classroom (Grades K-2 Smoking Lesson Plans), and Centers for Disease Control and Prevention-Smoking and Tobacco Use.

**1:** District-created curriculum and resources are provided to teachers on the topic of substance use and abuse health education. This curriculum is created using CATCH MY BREATH -E-Cigarette and JUUL Prevention Program an evidence-based program that has been shown to substantially reduce students' likelihood of vaping in the year following program implementation, and the EVERFI- Prevention First Health Curriculum (Elementary Health and Wellness) that teaches students to make healthy choices in a safe environment. Additional resources used include: Florida Department of Education-Comprehensive Health Education Elementary Toolkit, The Nemours Foundation-Kids Health in the Classroom (Grades K-2 Lesson Plans on Drug Abuse Prevention), The Nemours Foundation-Kids Health in the Classroom (Grades K-2 Smoking Lesson Plans), and Centers for Disease Control and Prevention-Smoking and Tobacco Use.

**2:** District-created curriculum and resources are provided to teachers on the topic of substance use and abuse health education. This curriculum is created using CATCH MY BREATH -E-Cigarette and JUUL Prevention Program an evidence-based program that has been shown to substantially reduce students' likelihood of vaping in the year following program implementation, and the EVERFI- Prevention First Health Curriculum (Elementary Health and Wellness) that teaches students to make healthy choices in a safe environment.
